REMARKS

Claims 2, 14-19, 21-28, 31-35 are pending in this application with claims 14 and 15 being independent. Claims 1, 3-13, 20, 29, and 30 have been canceled.

Claim 15 has been amended in accord with the Examiner's instruction, and also amended to more clearly claim the invention. Support for the amendment of claim 15 may be found in the specification, for example, at page 10, lines 11-13 (the last paragraph in the specification).

New claims 32-35 have been presented. No new matter has been introduced by the amendments.

I. Double Patenting Objection under 37 CFR 1.75

The Examiner has objected to claims 15, 26, 28 and 30 as being substantial duplicates of claims 14, 25, 2 and 3, respectively. The Examiner has provided the basis for an amendment to claim 15 that will overcome this objection.

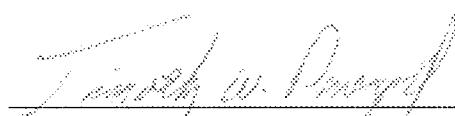

The present amendment incorporates the Examiner's instructions

Applicant submits that all claims are in condition for allowance.
